

Getting started.

Lesson 1: In the search box, do not type something similar to “**accountant jobs in cape town**”

Correct way to use the website is as follows, see image below:

Accountant

2. Which country?

South Africa

Cape Town

search

4. Now search...

1. What are you searching for?

3. Preferred region?

1. I am looking for **Accountant** jobs, okay that's fine.
2. But where? In South Africa, okay that's fine.
3. Any specific region? Cape Town, okay that's fine.
4. Now **click** search for **Relevant** results...Done

The website already **knows** you are searching for jobs. Good luck, go get that elusive job 😊
